

END USER LICENSE AGREEMENT

This License Agreement ("Agreement") is a legal agreement between you and Honeywell International Inc. ("Licensor") regarding the associated software ("Software"), which may include software owned by Honeywell and software licensed by Honeywell from its software suppliers ("Suppliers"). This Agreement also applies to any updates, upgrades, revisions, patches, bug fixes, new versions, supplements, and other modifications to, as well as Internet-based services and support services for, this software, unless other terms accompany those items; if so, those terms apply.

By installing, activating, or using the Software, you agree to be bound by the terms and conditions of this Agreement. If you are an employee, agent, consultant, or other person acting on behalf of a legal entity, you represent and warrant that your acceptance of this Agreement binds that legal entity to its terms and conditions. If you do not agree to be so bound, you may not install the Software, or if the Software is already installed, you must promptly remove it.

You acknowledge and agree that, as between (a) you and (b) Licensor and its Suppliers, the Software and any accompanying materials (including, without limitation, any images, photographs, animations, video, audio, music, text, and applets incorporated into the Software, the accompanying media, and printed materials) are solely and exclusively owned by Licensor and its Suppliers and are protected under U.S. and international copyright laws, and may be protected under additional intellectual property laws. The Software is licensed, not sold, and Licensor and its Suppliers retain all right, title, and interest therein other than those rights specifically granted to you under this Agreement.

You accept full and complete responsibility for selection of the Software to achieve your intended results, and for installation, activation, use of, and results obtained from, the Software.

LICENSE: Licensor hereby grants you a non-exclusive License to use this Software, without right of sub-license, only in object or executable code form. The Software may be included in a software package intended for installation in devices both of Licensor and of one or more other manufacturers, but may only be run in or for use with Licensor's products ("Products"). You may not rent, lease, or lend the Software. You may permanently transfer rights under this Agreement only as part of a permanent sale or transfer of the Products, and only if the recipient accepts this Agreement. If the Software is an upgrade, any transfer must also include all prior versions of the Software. Unauthorized copying of the Software is expressly forbidden. The Software may be patent-pending and/or patented; please refer to documentation accompanying the product, including labels and user guides, for specifics. You may be held legally responsible for any infringement of copyright or other intellectual property rights caused by your failure to abide by this Agreement. If the Software is identified by Licensor as a demonstration version, Licensee may use the Software on multiple Products or platforms. If the Software is provided by Licensor as other than a demonstration version, Licensee may use the Software only on or with a single Product. User guides, programming guides, and other documentation for the Software provided by Licensor in either hard or electronic copy may be copied and distributed as necessary for use of the Software as licensed hereunder. The rights granted by this Agreement do not give you rights to implement patents or other intellectual property of Licensor or its Suppliers.

OPEN SOURCE RESTRICTIONS: If you use Open Source software in conjunction with the Software, you represent and warrant that your use will not: (i) create, or purport to create, obligations on Licensor or its Suppliers with respect to the Software; or (ii) grant, or purport to grant, to any third party any rights to the Software that are not permitted by this Agreement; or (iii) grant, or purport to grant, to any third party any immunities with respect to Licensor's or its Suppliers' proprietary rights. Any Open Source software listed under this Agreement is listed only for your convenience and solely for information purposes, and, if licensed, is licensed to you only under the terms set forth in the corresponding Open Source License, which you may find on the Internet at the URL provided herein, on Licensor's web site, or in the header files of such software.
