Go beyond everyday business with the HP ElitePad, our premium thin and light Windows 8 tablet that puts productivity at your fingertips. Turn a true business tablet into a total business solution with a suite of accessories designed specifically for the HP ElitePad.[1]

More than a case. It's built-in intelligence.
Get the connectivity you need and get more done on the go. Expand connectivity with the HP ElitePad Expansion Jacket, which delivers USB and HDMI ports and an integrated micro SD reader. The HP ElitePad Productivity Jacket[2] boosts productivity with a keyboard, connectivity ports, SD card reader, and an adjustable stand.

Power up. Carry on.

The HP ElitePad Jacket Battery slides into the HP ElitePad Expansion Jacket to instantly extend the battery life of your HP ElitePad. Use the HP Multi-Tablet Charging Module to store, secure, and charge up to 10 HP ElitePads at a time.

Dock up. Get down to business.

Charge your HP ElitePad back at the desk. Or set up your tablet as a secondary screen and be a multitasking marvel. Be more productive with 4 USB ports that deliver easy connectivity to the peripherals you use most. Or use the docking station's HDMI and VGA ports to project the HP ElitePad to an external display.

We have an adapter for that.

Connect easily to a range of devices, including Ethernet, video, notebook Smart AC adapter, and more with the HP ElitePad Adapter family. Simply connect one end of the adapter to the HP ElitePad, and connect the other end to your device, Ethernet connection, or power cable. Then pack and go when you're ready to disconnect.

Touch. Write. Use it your way.

Pick up the HP Executive Tablet Pen and write messages and notes in your own handwriting directly on screen. Then save them—or convert to typed text to use in other applications. Use the HP Slim Bluetooth Keyboard to create a quick desktop setup.

Sophistication. Durability. We've got you covered.

Protect your HP ElitePad in style. Whether you need to store it, carry it or stand it up, we have a case for you.
